

*2<sup>nd</sup> Annual Chemistry Research Day*  
*Western Michigan University*  
*April 15<sup>th</sup>, 2011*  
*2:00 – 5:00 PM*  
*Chemistry Building*

**Keynote Speaker**

*Professor R. Graham Cooks*

*Miniature mass spectrometers and ambient  
ionization: tissue imaging, disease diagnostics, food  
& public safety*

**Department of Chemistry & Center for  
Analytical Instrumentation Development  
Purdue University**

**4:00 – 5:00 PM in 1720 Chemistry Building**
