College of Arts and Sciences
Department of Chemistry

Phi Beta Kappa
&
Department Chemistry
Presents

Dr. Marsha I. Lester

Phi Beta Kappa Scholar
University of Pennsylvania

VISITING
SCHOLAR
PROGRAM

Thursday, November 10th

12:00pm

"Climate Change Science and Policy:
A conversation with Marsha Lester""

*WMU Center for the Humanities Center
2500 Knauss Hall*

4:30pm

Reception in Chemistry Building Foyer

5:30pm

"The Atmosphere's Detergents"

Room 1260 Chemistry Building.

Co-sponsored by:

Center for the Humanities
Institute for Environmental Studies
Lee Honors College

- Edmund J. Kahn Distinguished Professor of Chemistry at Penn
- Member, National Academy of Sciences

Lester is editor-in-chief of *The Journal of Chemical Physics* and founding member of the Penn Forum for Women Faculty. Her research group has developed innovative methods for stabilizing 'entrance channel complexes' and reaction intermediates of environmental significance.
