

**The KALAMAZOO Section
presents**

Kalamazoo Sci-Mix Poster Session

“Sustainable Science - Recycle a Poster”

5:00-9:00 PM, Tuesday, October 8, 2013

Bell's Eccentric Café; 355 E. Kalamazoo Ave

Complimentary hors d'oeuvres, and drinks will be provided*

5:00 PM Poster Setup

**6:00 PM Keynote Speaker Mayuri Bhakta:
“Product Development at Kellogg’s”**

6:45 PM Poster Session, Network & Mingle with Local Scientists

The Kalamazoo area has always been historically rich with exciting chemistry. Please join us and share the area's wealth of exciting chemistry by bringing a poster of your chemistry accomplishments. Your poster can either be newly prepared or a recycled poster from a previous event. This Mixer invites local, academic and industrial chemists from all areas of chemistry: Analytical, Biochemistry, Inorganic, Organic, and Physical, in addition to Food and Medicinal Chemistry. See you there!

Present Science & Celebrate Kalamazoo Chemistry

To reserve an easel, please email (a) the title of the poster and (b) a list of authors to **Dr. Denis Billen** at denis.billen@zoetis.com by **Thursday, October 3**.

Stay in touch with KACS at <http://KalamazooACS.org/>

Funding provided by **zoetis**

*Two complementary drinks will be given to current ACS members, poster presenters, and Zoetis employees.
