5-7 pm Poster Setup, Registration, Reception

6:45 pm KACS Announcements

**7:00 pm Keynote: “Digging for Gold in Your Own Backyard:
Novel Enzymes for Use in Flavors & Fragrances”**

Katie Whalen, Ph.D.

Principal Scientist and Team Lead

Biotechnology & Food Protection R&D at Kalsec, Inc.

8-9 pm Poster Session, Network with Scientists and Speaker

8 pm Prize Announcement

Undergraduate and graduate students are encouraged to participate. Your poster can either be newly prepared or a “recycled” poster. Poster presenters who submit their abstract (150-200 words) by Monday, **Nov. 5** can win a cash prize! Non-prize presentations will still be accepted until Friday, **Nov. 9**, to reserve an easel. Presenters should email the following information to Elke.Schoffers@wmich.edu.

- (a) the poster **title**
- (b) **author list** with the presenter underlined and an asterisk (*) for the lead PI
- (c) **institution** information
- (d) an **abstract** to enter the prize drawing
