

The KACS 2002 Summer Puzzler

Question 1 (for Pharmacia):

Who is the Nobel Prize–winning chemist whose portrait is featured on a Pharmacia–owned artwork?

Question 2 (for everyone):

The title of our picture (next page) is the “Al-ghemist”. Our puzzler:

Who is the artist?

And what is the “vitriolic” chemistry “pun” of this picture?

Please respond to jed.f.fisher@pharmacia.com
